A3 All authors and co-authors must state their correct affiliations in the paper.

A4 Papers submitted after the **last date of submission** may not be considered by the Organizing Committee.

A5 All IRAJ conferences follow a **blind peer-review process**; each paper is reviewed by three subject-expert reviewers.

A6 IRAJ may choose not to publish the e-mail addresses of authors or co-authors online.

A7 After registration, IRAJ will not add, modify or delete any author's or co-author's name in the paper without a No Objection Certificate (NOC) from all authors and co-authors listed in the paper.

A8 IRAJ does not publish unregistered papers received for its conferences.

A9 IRAJ is not responsible for verifying the authorship of a paper. The person who submits the paper will be treated as its original author.

A10 If IRAJ receives a complaint about the authorship of a paper and the IRAJ management team finds it valid, the paper will be suspended from publication immediately.

A11 IRAJ will not republish or distribute any suspended paper from the date of suspension.

A12 **Visa information:** It is the delegate's sole responsibility to check the visa requirements of the host country and to apply for a conference visa, if necessary. A **visa invitation letter** can be issued only after successful registration. IRAJ is not responsible for obtaining any kind of visa, will not contact any embassy or send letters on behalf of participants, will not share any local person's contact details, and will not issue a letter of guarantee for obtaining a visa.

A13 **Failed visa applications:** If a visa application is rejected, the registration fee will not be refunded. However, the registration fee may be transferred to another conference.

A14 IRAJ does not act as guarantor for any participant during their visa period in any country.

B - Attending IRAJ International/National Conferences

B1 All participants **must register before** arriving at the venue by paying the fee stated on the registration page of the official conference website, or as specified in a written letter from the Organizing Secretary.

B2 Participants should regularly follow the official conference website for the latest information about the event.

B3 The organizer **may change the venue and date at any time** before the conference. In such a case, only registered participants will be informed by e-mail and phone.

B4 IRAJ is not responsible for refunding travel tickets or any other financial loss to participants if the conference is **cancelled or rescheduled to another place or date**. The registration amount will be transferred to another conference organized by IRAJ or its sister organizations, or it may be refunded after deduction of transaction/secretarial charges, at the discretion of IRAJ management.

B5 **Online conference:** IRAJ may move the conference online due to unforeseen circumstances (such as a pandemic, travel restrictions or natural disasters) in any country. In such a case, no registration amount will be refunded.

B6 Participants must not share their online conference login ID and password with anyone who is not registered.

B7 Participants must **switch on** their video camera while presenting their paper and during the group photo in an online conference.

B8 Participants must bring an original photo ID (passport for international participants) to the conference. Participants without valid ID will not be allowed to attend.

B9 If conference kits run short, the organizing team may not provide a kit at the venue. In such cases, IRAJ will send the conference kit by post/courier after the conference.

B10 Participants who arrive at the venue after the reporting time will not be allowed to present or participate in the conference.

B11 Participants must not use the event for protests, political activism or any activity unrelated to the conference.

B12 IRAJ reserves the right to publish photographs of conference participants on any platform at any time for promotion and record purposes.

B14 IRAJ reserves the right to publish recorded videos and photographs of the conference/webinar/seminar on social media platforms and YouTube channels.

C - Publication in IRAJ International Journals and Associated Scopus/WoS/SCI/UGC-CARE Listed Journals

C1 IRAJ reserves the right to select papers from the conference for publication in international journals.

C2 **Publication in Scopus-indexed, WoS, UGC-CARE listed, SCI-indexed or other associated journals:** On the author's written request, IRAJ can submit the paper to such journals. The author will have **to pay the entire publication cost/APC** of the particular journal. Review and publication may take 1 to 12 months.

C3 IRAJ acts only as a mediator and consultant for publication in its associated journals. Authors are encouraged to verify the **authenticity and validity** of the journal's home page and its Scopus/UGC-CARE indexing, using their own sources, before giving any paper to IRAJ for processing.

C4 It is the **author's sole responsibility** to check the journal's ISSN, indexing and impact factor on the journal's home page, UGC-CARE, Scopus, WoS, SCI or other sources.

C5 IRAJ is responsible only up to the publication of the paper in the respective journal. It is not responsible for **later indexing of papers** by any indexing agency (Scopus, WoS, etc.).

C6 IRAJ is not responsible if any journal is declared a **clone or fake journal** by Scopus, WoS, UGC or any indexing or government agency. No money will be refunded, now or in the future, for papers published in such journals through the IRAJ publication service.

C7 Fees paid to attend IRAJ conferences will not be refunded if the registered paper is not selected for a Scopus/WoS/UGC-CARE/SCI journal, or if the author chooses not to publish in an IRAJ-associated international journal after the conference.

C8 IRAJ may accept papers from its own or associated conferences for publication in IRAJ-associated international journals after the authors extend the paper by at least 20%.

C9 IRAJ takes 25 to 60 days to complete the second-round review for IRAJ-associated international journals after the conference.

C10 All IRAJ-associated international journals have an ISSN.

C11 Authors must pay the hard-copy charges to receive a printed copy of the journal.

C12 The editorial board reserves **the right to reject any paper** for journal publication after the second round of review (after the conference/seminar). If the paper is rejected, the conference registration fee will not be refunded.

C13 IRAJ reserves the right to select or reject any paper from its collaborating conferences. The decision of IRAJ management will be final.

D - Plagiarism Policy

The plagiarism policy ensures that authors give due credit to other authors when referencing, and it protects the academic integrity of the research community.

D1 All papers submitted for publication are checked with plagiarism-detection software to verify their originality and similarity percentage. Papers that fail to meet the criteria are returned to the author for revision.

D2 If plagiarism is detected just before publication, the author will be given a chance to resubmit the paper after making the changes suggested by the editor. If the editor considers the plagiarism a major issue, the paper will not be considered further for publication.

D3 If plagiarism or a fake identity is suspected or detected after publication, the paper will be removed from the website until verification is complete. If only a few paragraphs are plagiarized, the author will be given a chance to revise the paper, and it will be restored to the website after the editor's approval.

D4 If IRAJ decides that plagiarism or a fake identity is a major issue in a published paper and it seriously violates the copyright of others, the paper will remain withdrawn, and the author will be penalized and blacklisted by IRAJ and other conference organizers for life. The removal will be noted on the journal website, and indexing services will be notified.

D5 Authors who republish their earlier published work (self-plagiarism) will be dealt with by the same procedure.
